

POVERTY SIMULATION

DO YOU HAVE WHAT IT TAKES TO SURVIVE A MONTH IN POVERTY?

Housing Opportunities & Northwest Indiana Community Action are partnering to present:

The Poverty Experience

The Poverty Experiences is a facilitated immersive experience designed to help participants glimpse the realities of life with a shortage of money and an abundance of stress. Participants assume the roles of “families” who do their best to survive week-to-week over a simulated one-month period. The simulation presents participants with real-life scenarios and challenges faced by people living in poverty. The exercise is immediately followed by a group debrief, during which participants reflect on the experience, discuss insights, and consider next steps.
